Happy Anniversary

Happy Anniversary!!

MESSAGE FROM THE PRESIDENT Terry Varner

At the time of this writing we will have about two weeks to go for the big Car Show. If you look at the calendar, our next meeting is just two days before the show. We have some important stuff to handle at this meeting, so a big turn out would be great and appreciated. All hands on deck.

The big topic will be the Car Show. John Bratta will once again will handle the Judging and he will be filling out his roster and asking for volunteers. If you would like to judge at the show, contact John. The more judges we have the faster we finish.

Pat Waddell is handling all the Charity Auction stuff. She will also be asking for volunteers to help her out at the show. The silent auction was a great success last year. Please pitch in and help Pat make it a success again this year.

Jim and Sharon Hill will need a number of people to help directing participants to parking, setting up barricades, tables, placing signs, and whatever he needs. Please come and help make the show a success.

This meeting will also entail the first round of nominations for club officers for next year. If you plan to nominate someone, please contact the person before hand to see if they are interested. I'm not going to preach, oh what the heck, maybe I will. The reason the club has been successful, is because of good leadership over the years from the volunteers who have stepped up to direct the club. Its that time again, don't sit on your hands, raise them and help the club continue.

We need to continue to get the word out for our proposed Track Day November 19th at Motorsports Ranch. To remind everyone, we have opened it up to non-members who own sports cars and would like a track experience. If you have a friend or neighbor who might be interested, direct him to our website, all the information and entry forms are there and can be downloaded. If you have any question contact Neal Bellamy.

Don't forget The Fall Foliage Tour to Arkansas, starting on October 20st through the 24th. I think we have filled all the advanced reservation spots, but if your a last minute person, contact the hotels I'm pretty sure there will be rooms available.

Look forward to seeing everyone at the meetings. Don't forget to RSVP for dinner.

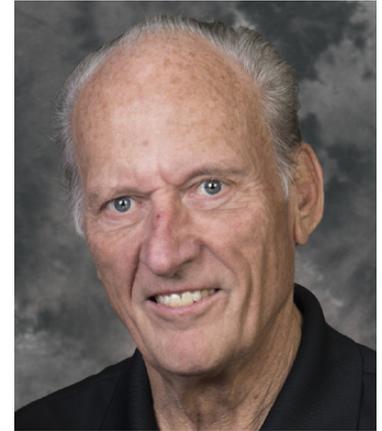

The Pres.

Terry Varner

MESSAGE FROM THE VICE PRESIDENT

ED PULTORAK

Well, we're finally back from our 3-month, 12,000-mile road trip to Alaska and back. Once we left the US, we had little or no cell service, and wifi was also extremely limited. In other words we had about a 90% communications blackout.

We didn't see a lot of wildlife, but we did see at least one or more deer, caribou, elk, moose, black bear, and grizzly and several bald eagles and golden eagles. The locals said they had just gotten over a heat wave and the wildlife had moved to cooler areas. I'm not sure what they call a heat wave, but after our first two weeks of 100+ and until we got back into Texas which was also 100+, it was too cool/cold for shorts and T's.

The driving was something of a challenge. In the cities and smaller towns, the driving was about what you'd expect in the lower 48. However, the major highways are poorer than what we experience on 377 to Ft. Worth. For example, a highway marked for 65mph (or 110kph) will sometimes have little flags on the edge of the paving and you'd better slow down to 45 – and sometimes there isn't even a flag. You have to learn to “read the road” slow down when appropriate.

The gasoline and food prices were higher than here. In Alaska, gasoline was \$.50 to \$.75 per gal higher than here and food about 15% higher (restaurants even higher). In Canada, gasoline ranged from \$1.00 to \$1.45 per liter – or, with a rate of exchange of \$1US to \$1.27CA, ranges from \$3.79/gal to \$5.49/gal, typically about \$5/gal. (I guess they have to pay for the socialized medicine somehow.) Food in Canada, allowing for the exchange rate was about the same as in Alaska.

None-the-less, the trip was worth it for the spectacular scenery – pictures just don't do it justice.

Meanwhile, in our absence, the Annual BRCC Car Show organizers have been doing their usual fantastic job of getting ready. We are looking forward to a great turn-out.

Ed Pultorak

MARCH 3RD BRCC MINUTES

Brazos River Corvette Club Meeting September 1, 2016

On September 1, 2016 the Brazos River Corvette Club meeting was held at Harbor Lakes Country Club.

Terry asked John Bratta to bless the meal. John asked for blessings for fellowship, healing, friendships and the meal.

At 7:00 PM Terry Varner came forward to open the meeting. Terry requested Veteran David Penwell to lead the members in The Pledge of Allegiance to the Flag. Terry introduced and welcomed the guests present. Boyd and Tori Schaneman and Roland and Pam Witt were our guests.

Terry welcomed everyone to the meeting. Ed Pultorak is back from his travels. There will be nominations for officers at the meeting in October. Terry had David Penwell explain the process. David spoke that the next meeting will be the first round of nominations. Then in November a second round of nominations for officers. Just after that second set of nominations a election will be held. David encouraged the club members to talk amongst themselves on who would be interested in running for a office. The club has always had great leadership.

Reports:

Terry requested any corrections or changes to the August minutes. None were given. A motion was made by Bob Brandies to accept the minutes and seconded by Chip Mull. All unanimously accepted the minutes.

Treasurer Teresa Batson came forward to read the balance of the club. Chip Mull made the motion to accept the Treasures report and John Bratta seconded it. All present unanimously approved the Treasures report.

Committee Reports:

Events/Cruise

Kelly Fulmer was not present. Terry reminded the group of the October cruise to Arkansas. Kelly and Larry took the group on a great cruise to Fat Daddy's in Mansfield. The Classic car show is on September 10th. Terry requested we arrive at 10:00 AM and stay until 2:00 PM. Hot dogs, burgers and drinks will be served. Kim Sheppard reminded the group that the trip to Arkansas, on October 20th, is planning on leaving at 8:00 AM from Starbucks and will arrive in Hot Springs around 3:30 PM. Lunch will be in Texarkana. They will leave for Eureka after breakfast the following morning.

Terry asked John Bratta to speak about the judging for the October car show. John informed everyone judging is easy. It has to do with the cleanliness of the corvette.

Quality to detail is the main focus. The more judges John has the easier it is on everyone. See John if you are interested. Carol Harris reminded everyone we have the friendliest club and women judge too. Terry thanked John.

MONTHLY MEETING MINUTES CONTINUED

Newsletter/Car show/Yahoo Group Manager/Photographer/Historian

Jim Hill spoke on the Classic car show scheduled for Saturday September 10th. They have sponsored the club for 10 years. Please wear your black shirts and bring a lawn chair. The car show in October will have two best of shows. One older corvette and one newer. Our members do not put their cars in the show. Jim and Sharon after six years are stepping down. A new leader is needed for next year. Pat Waddell has collected 32 items to auction off. She will be working on the bid sheets and needs volunteers. Jim thanked Linda Watkins for the merchant connections. Terry thanked Jim and Sharon for all they do.

Member Care

Pat Waddell sent out four get well cards.

NCCC Governor

Neal Bellamy reported the Track day is the same format as last year and planned for Saturday, November 19th. He put the invitation in the last newsletter. There has been a lot of advertising for it. Phil Harris spoke of how fun it was and a good chance to push the pedal to the metal.

Webmaster:

Sandy Varner had nothing new to report.

National Corvette Museum:

Guy had National Corvette dues to pay in September. They are \$150.00. Terry requested a motion to pay them. Chip Mull made the first motion to pay the dues and it was seconded by Carol Harris. All were in favor.

Open Discussion:

Linda Watkins reported that a water color artist will be present during the car show and he will paint our cars and donate some of the proceeds back. Larry DeYoung presented the group with a plaque the BRCC Corvette Club received. The club was a gold sponsor for the MOA Jr. ROTC golf tournament.

Charity Raffle:

Larry DeYoung sold 50/50 tickets and Pat Waddell won.

Terry thanked everyone and Chip Mull made an announcement that the first Saturday of every month there is a gentleman that plays the guitar at the Lipan Community Center. He invited everyone to attend.

Adjourn:

Jim Hill made a motion to adjourn and it was seconded by Pat Waddell.

The meeting was adjourned at 7:58 PM.

Respectfully submitted,

Kimberly Sheppard

UPCOMING EVENTS

BRCC 2016 Calendar

The primary interest in our club is centered on activities. Our best months are those with two cruises. We need each of you to organize and lead an activity. You will get all the help you need to contribute to our club success.

November 19th BRCC Host Track Day

On Saturday November 19, Brazos River Corvette Club will again host a high performance driver education event at MotorSport Ranch in Cresson. This half-day event is not a race but rather an opportunity for you to drive more aggressively in a safe environment and to see how well your Corvette handles the track.

If it rains on Saturday, we will hold the event the next day, Sunday November 20.

The entry fee is \$120 and entrants will be limited to 25 drivers.

This event is designed for novices and less experienced track drivers using their daily driver cars rather than for highly experienced drivers and race prepared cars.

You will attend three classroom sessions designed to educate you on the dos-and-don'ts while on track, and to provide you with helpful driving hints to make your experience more enjoyable.

You will drive on-track in two lead-and-follow, no passing, low key track sessions that will help you learn the track. During these sessions, family and friends may be passengers.

You will have two track driving sessions to go as fast as you feel comfortable. Drivers will be divided into two groups based upon track driving experience level. Passing will be allowed, but only on straightaways and only with the slower car giving a "pass me here" signal.

Other than bringing a helmet (open face preferred, rentals available) and wearing long pants and closed toe shoes, no special "race only" equipment or preparation is needed. If you feel safe driving on the highway to reach the event, your car is track ready for this event.

However, some common sense vehicle preparation is strongly recommended:

- Any normal daily driving problems with the car should be repaired prior to the event.
- Coolant is less than 5 years old and up to the recommended level.
- Wheels are properly torqued to factory recommendations.
- Tires are properly inflated and have no cord showing anywhere.
- Oil is at the recommended level. Non-dry sump cars should overfill per Chevrolet recommendations.
- Brake fluid is reasonably fresh (less than 5 years old) and up to the recommended level.
- Brake pads have at least one-third of their life remaining.

But most importantly, prepare to have fun. This is not a race but will be a great opportunity to have fun in your Corvette and then to tell tales of your driving prowess.

Please call Neal (817-975-1422) or Dale (817-408-7817) or David (817-999-1621) with any specific questions.
